

HEALTH CARE WORKFORCE PARTNERSHIP COMMITTEE
Resource Workgroup
Meeting Minutes
March 10, 2011

I. Introductions

II. Kansas Area Health Education Center (Kansas AHEC)

Mary Beth Warren from the University of Kansas presented an overview of their AHEC. Activities are scheduled out of three offices throughout Kansas and include:

- i. 600 hours of continuing education for health care professionals
- ii. Seven research projects
- iii. Career fairs
- iv. Externships for high school science teachers at the University of Kansas Medical School
- v. Alumni Weekend to provide students a vision of success in a professional health care career
- vi. Mini Medical Schools, which are modules offered to enhance the curricula of high schools teaching health-related sciences. These self-contained modules include:
 1. Bain function
 2. Immunology
 3. Orthopedics
 4. Cancer
 5. Influenza

III. Kansas Medical Society Training Resources

A list of the approved training resources for health care professionals can be found at

IV. Resources Survey Instruments

Committee members reviewed possible survey instruments that Kansas might want to adopt. Possible instruments include:

- a. Colorado Health Careers located at www.coloradohealthcareers.org/contents

- b. New Mexico Resources located at
<http://hsc.unm.edu/community/CountyReportCards/index.shtml>
- c. North Carolina Resource information located at
www.shepscenter.unc.edu/hp/defenitions
- d. California Survey regarding Allied Health located at
<http://www.calhospital.org/print/10843>

Joyce Grayson suggested that the Resource Committee also review the Kansas Career Pipeline. This can be found at www.kansascareerpipeline.org/

V. Next Meeting

The next meeting will be scheduled based upon availability of the next two presenters—the Kansas Hospital Association and the **KANSASWORKS**.
