List highlights in the Local Area, such as new initiatives, collaborative partnerships, etc.

WorkReady! - For PY10, our Area's goal for issuing Work Ready certificates was 500 for the year. The final count for PY09 is 582 WorkReady! certificates.

TANF Summer Youth Employment initiative - LA V began planning for this initiative July 1 upon notification of the availability of funding. The established goal is to place 212 Youth in Summer Employment prior to September 30, 2010. To be eligible, Youth must be receiving TANF or be a member of a family that is receiving TANF. Youth in foster care would generally be eligible as they are wards of the state. There is currently twenty three (23) participants enrolled and attached to this initiative. SRS indicated that they have sent letters to all eligible youth in LA V informing them of this opportunity and that the wages they earn may affect their benefits or the benefits of their family. The letter also directed them to the nearest Workforce Center for inquiries and application. Local SRS staff were generally unaware of this initiative until we began requesting direct referrals and TANF eligibility documentation we need. Local KANSASWORKS, SRS and foster care provider staff are working together to provide additional outreach to this population and to meet the metric and expenditure goals of this initiative. KANSASWORKS is also recruiting/training for five temporary Youth Specialists to increase capacity to conduct outreach, enrollment and placement of this difficult to serve population.

Sugar Creek Packing, Frontenac, KS announced expanding production with a new product line. This expansion will result in 100 new hires starting in November 2010 and additional 50 hired in the next 2 years. They currently employ 305 workers.

Southeast KANSASWORKS Independence Center has partnered with a local staffing agency, Staff Management, to hire seasonal workers for Amazon.com. A Job fair hosted at the KANSASWORKS Center has netted Staff Management with just over a 100 applicants. Staff Management projects to hire an additional 160 workers by the end of August and a total of 700 seasonal workers by the end of October.

Emporia partners KANSASWORKS, Salvation Army, ECKAN (East Central KS Economic Opportunity Corporation) and SRS developed and now offer a support group to individuals in the community that are unemployed or underemployed. Meetings are held twice a month and has been a collaborative success. These partners have been able to add support from other local agencies to help with presentations, resource identification and referral information and the general support of those in the community that are having financial, emotional, health, relationship issues associated with job loss or underemployment.

CIGNA Insurance, Fort Scott,KS, laid off 35 claims processors and 50 customer service positions on June 25, 2010. As a result of the 50 customer service jobs being moved to Canada, the affected individuals from customer service positions will be eligible for employment and re-training benefits available under the Trade Adjustment Assistance (TAA) under a DOL approved petition that is retroactive to April 26, 2009.

Haldex, located in Iola, KS has sent in their TAA petition as the company is moving their production to Mexico. 155 jobs will be effected.

Local Area V Unemployment Rates for June 2010 continue to be higher than the state rate of 6.5%. With the exception of Coffey County at 5.9% and Lyon County at 6.3%, the remaining LA V counties have UI rates higher than the state rate up to 9.9% in Wilson and 10.00% in Montgomery County.
